

41ST OPEN-ENDED WORKING GROUP OF PARTIES TO THE MONTREAL PROTOCOL

SIDE-EVENT, 3 JULY:

ENFORCEMENT OF HCFC LICENSING SYSTEMS: BEYOND THE CUSTOMS CHECK-POINT

Sharing examples of best practice from Lao PDR, Mongolia and the Federated States of Micronesia

Please join us to discuss the enforcement of licensing systems for HCFC import beyond the customs check-point, via:

- inspection of the local refrigerant market;
- customs post-clearance audit/ market monitoring;
- prosecution of the violator and financial penalty.
